

# Hospitality Ministry

“Welcome one another...as Christ has welcomed you, to the glory of God.”  
Romans 15:7

## First Touch

To provide a warm, friendly and accepting atmosphere for all who enter ChristChurch.

The First Touch Team serves to welcome and host people on Sunday morning and other special events. Their hospitality begins even before people reach the front door. Their warm welcome and personal service are a vital part of our life together and mission as a church. The team serves on rotation and weekly tasks include: greeting people at the door, handing out bulletins, helping people find seating, even checking on the restrooms before worship to ensure everything is ship shape and ready for guests.

The team would love to welcome you aboard:

- Host at 9 am service
- Host at 10:30 am service
- Host on Christmas Eve
- Host on Easter
- Host for other special worship services or events

(e.g. Vision Night, Good Friday)

## Coffee ChristChurch

To provide a warm, friendly cup of coffee (or tea!) to encourage new connections and good conversations.

The Coffee ChristChurch Team serves to prepare refreshments for everyone on Sunday mornings and special events. This intrepid and behind the scenes crew brew coffee, heat water, set out pots and all the fixings, so the rest of us can enjoy time together after worship.

On special occasions, they also set out trays of cookies and treats. And, yes, they take care of clean up, too. An amazing gift of service to us all. In fact, if we had people to clean up and vacuum after the 10:30 service, we could have cookies more often!

The team serves on rotation; people simply sign up for Sundays they're available. The team would love to multiply hands and welcome you into the kitchen:

- Serve on Sundays
  - Preference
    - 9 am service
    - 10:30 am service
- Serve on Special Sundays/Events
- Clean up after 10:30 am service

## Connect and Care Ministry

To provide a warm, timely, contact with newcomers and respond to questions and requests.

What happens when someone fills out a Welcome Card? Perhaps makes a request for information?

We have a team who serves to follow up—often by email, sometimes by phone. The team simply makes contact and passes on requests to our ministry leaders.

This is a service you can offer from home. Other possibilities for follow up include care notes to those on our prayer list.

The team serves on rotation, picking up Welcome Cards and passing on referrals. Perhaps this is a way for you to serve.

- Newcomer follow-up
- I'm interested in care notes
