

Prayer and Healing Ministry

Seeking God's face through obedient prayer is the ultimate God connection. We always need more people to praise and pray with us!

We are not looking for people with brilliant speaking talents or perfect prayer delivery. We are seeking people who want to draw closer to God and intercede on behalf of our community. Please join us to sit silently or to add your voice to the other in prayer. Your presence would be an answer to our prayers!

If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land.
